## Greetings

Hi All,

I hope your academic and social years are going along splendidly. Please have a look at some of the amazing events happening for the Glenmore Tenants over the next few weeks. More information can be found for each event on the next page. Also, please consider becoming part of the official Glenmore tenant's facebook and twitter pages. This is where I will post up-to-date reminders of all the events and other important information.

I look forward to seeing you all at the upcoming events!

Cheers,

Andrew
